

Christmas Village 2017 Booth Application

The 2017 Christmas Village Booth Application fee is \$50. The **application fee is non-refundable.** Please do not send any additional payments at this time other than the \$50 application fee, as we are not able to accept any other funds until an invitation has been extended to participate.

Completion of an application does not guarantee acceptance to Christmas Village. A committee of Christmas Village board members reviews each application. The committee meets monthly during February, March, April, May, August and September. Vacancies are filled as they become available. Merchants will be accepted based on category and quality of merchandise, taking into consideration current merchandise already available at Christmas Village. The waiting list does not roll over from one year to the next. Merchants are placed on the waiting list based on category and quality of merchandise and latest date available to be notified of acceptance. All decisions are final. **We kindly request prospective merchants submit an application for no more than 3 consecutive years.**
